---

One must have spent  
at least one month of  
Earth's days as a  
Cadaver, preparing  
their body to channel the  
forces of Entropy.

Once the Cadaver is  
prepared and has  
completed their  
assigned quest to  
prove themself worthy,  
he is to sacrifice a  
Paladin in the name  
of Oblivion. The  
Paladin will be taken  
into the first floor of  
the Dungeon Deceit.  
Upon the braizer in a  
room to the left shall  
the Paladin be  
sacrificed. Once this  
is done, take the  
Cadaver deeper into  
the first floor. Near  
the back is an area in  
which a platform is  
located. The Cadaver  
shall take his place  
upon the platform.  
The Daemon Lord  
shall then begin to  
speak, "You have  
proven yourself  
worthy, Cadaver. Now  
feel the power of  
Entropy flow through  
you!" Once that is  
spoken the Cadaver  
will remain stationed  
as one made worthy of  
the Daemon Lord sets  
the Cadaver afire.  
Once he has manifested  
the Cadaver will now  
begin to grow in  
power and have the  
appearance of a Zombie.
